Energy Blend Information

All-Natural Caffeine

Our natural caffeine powder is truly 100% Pure and Natural. Our natural caffeine is extracted from only the highest quality Arabica green coffee beans. No additives, fillers or anti-caking agents are used and production conforms to the highest [SQF](#) standards to produce our pharmaceutical grade caffeine. Learn more [here](#).

Guarana

There are many effects when you consume [Guarana](#), most of them positive. The biggest positive effect comes cognitively. It has been shown several times - through clinical studies - that Guarana can improve memory and alertness. Learn more [here](#).

Taurine

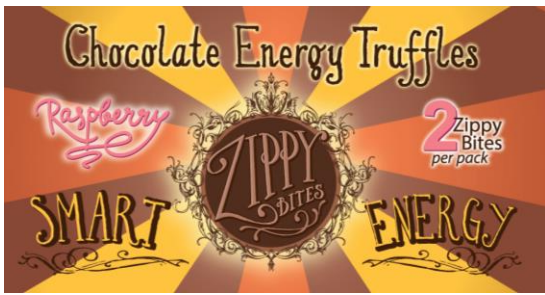

[Taurine](#) is an amino acid that supports neurological development and helps regulate the level of water and minerals in the blood. Taurine is also thought to have antioxidant properties and some studies suggest that taurine supplementation may improve athletic performance. Learn more [here](#).

Glucuronolactone

[Glucuronolactone](#) (D-glucurono-gamma-lactone) is a naturally occurring solid white compound that has applications for exercise. There is evidence to suggest that it may be useful in increasing both physical and mental performance especially when combined with caffeine and taurine. Learn more [here](#).

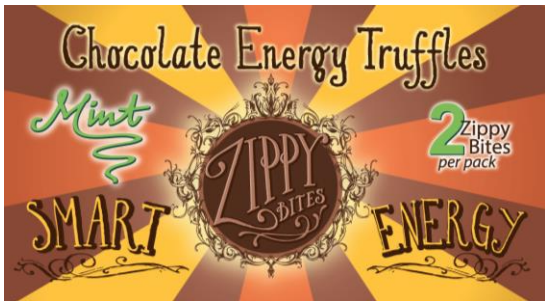

Vitamin B6 & B12

[Vitamins B6 and B12](#) are water soluble, meaning they cannot be made or be stored in your body and must be obtained from your diet regularly. Vitamin B6, also known as pyridoxine, is found in plant and animal sources, whereas vitamin B12 is found mainly in animal products. Vegetarians and Vegan diets may overlook B6 & B12 requirements.
